**Experience:** 6–8 Years

**Reports To:** Project Manager / Senior Project Manager

### About the Role:

Stratfix Professional Pvt. Ltd. is looking for an Associate **Project Manager – Sales Consultant** with 6–8 years of experience in management consulting, B2B sales, corporate

sales, or channel sales. The role involves supporting the Project Manager in delivering sales consulting projects while independently managing client relationships and driving execution of business growth strategies. The candidate will work closely with client leadership teams to understand business challenges and translate strategic direction into measurable outcomes.

**Key Responsibilities:**

The Associate Project Manager – Sales Consultant will be responsible for understanding client challenges related to sales performance, business growth, and market expansion. The role includes designing and implementing sales and growth strategies at client locations, ensuring smooth execution of consulting projects, and maintaining high levels of client satisfaction. The candidate will manage client relationships, coordinate with internal consulting teams, and guide senior sales consultants and junior team members. The role also requires monitoring sales numbers, marketing metrics, and key performance indicators, analyzing business trends, and providing actionable insights to clients and internal stakeholders. The candidate will assist clients in setting sales targets, aligning sales and marketing efforts, and improving overall sales effectiveness. Willingness to travel to client sites as per project requirements is essential.

**Qualifications and Experience:**

The candidate should hold a BBA, MBA, or any bachelor's degree and have 6–8 years of relevant experience in management consulting, corporate sales, channel sales, or B2B sales. Strong knowledge of sales processes is mandatory, along with hands-on experience in client-facing consulting roles.

**Skills and Competencies:**

The ideal candidate should possess strong strategic and analytical thinking abilities, excellent problem-solving and complex thinking skills, and the ability to manage projects and lead teams effectively. Strong stakeholder management, client engagement capabilities, and research and analytical skills are required. Proficiency in MS Office tools such as Excel, PowerPoint, and Word is essential.

**Why Join Stratifix:**

Stratifix offers an opportunity to work on high-impact consulting projects, gain exposure to end-to-end strategy execution, and grow within a collaborative and performance-driven consulting environment with a clear career path toward senior project and leadership roles.
